Subject: letter to EPA from WI Congressman regarding Sheboygan ozone designations
Attachments: 2.10.17 Letter to EPA re Sheboygan Ozone.pdf

John-- I'm not sure if this is what you had in mind, but I took a crack at it. Tried to keep it simple. Let me know if you want me to change it.

For OAQPS

Region 5 obtained a copy of the attached letter from Wisconsin Congressmen after receiving approximately a dozen phone calls from concerned citizens who do not agree with the letter and who are supportive of EPA addressing air quality in Sheboygan. Region 5 would like to coordinate with OAQPS on responding to this letter (assuming it's controlled to us) and the citizen phone calls.
